

Curriculum Vitae

JAMES STEVEN BULLOCK

Address:

Department of Physics & Astronomy
University of California
Irvine, CA 92697-4575, USA

Phone: 949-824-7727
email: bullock@uci.edu
www.physics.uci.edu/~bullock

Education:

1994 B.S., Physics and Mathematics, The Ohio State University
1999 Ph.D., Physics, University of California, Santa Cruz (Advisor: Joel Primack)

Current Position:

Professor of Physics & Astronomy, University of California, Irvine 2010 - present
Director, [Southern California Center for Galaxy Evolution](#) 2010 - present

Past Appointments:

Associate Professor, Physics & Astronomy, University of California, Irvine 2008 - 2010
Assistant Professor, Physics & Astronomy, University of California, Irvine 2004 - 2010
Hubble Postdoctoral Fellow, Harvard Observatory (Host: Lars Hernquist) 2002 - 2004
Postdoctoral Fellow, Ohio State Astronomy & Physics (Mentor: David Weinberg) 1999 - 2002

Publication Statistics (via NASA ADS 10/16):

Published articles: 194
Refereed published articles: 152
Citations: 18,522
H-index: 70

Selected Honors and Awards:

Chancellor's Fellow, UC Irvine (2012-2015)
Visiting Miller Professorship, UC Berkeley (2012)
UC Irvine Celebration of Teaching Award (2011)
Fellow, American Association for the Advancement of Science (elected 2008)

Selected Professional Activities

Chair, UC Keck Telescopes Time Allocation Committee, 2015-present
Member, Visiting Committee, University of Arizona Astronomy Department
Member, University of California Observatories Board, 2012-2015
Chair, Hubble Space Telescope Frontier Fields Initiative (www.stsci.edu/hst/campaigns/frontier-fields/)
University of California Astronomy Task Force, UC Irvine Representative, 2011
Chair, UNC Physics & Astronomy Department Visiting Committee, 2011
Member, External Science Advisory Committee for VERITAS observatory, 2009-present
Chair, Hubble Fellows Selection Committee, 2009
Co-chair, Milky Way Science Working Group for LSST (2008-2010)
Member, Hubble Fellows Selection Committee, 2008
